- Grant info.:** Applications are **due March 8, 2019** online at <https://www.cdfa.ca.gov/oefi/sweep/>
The SWEEP provides financial assistance in the form of grants to implement irrigation systems that reduce greenhouse gases and save water on California agricultural operations. Eligible system components include (among others) soil moisture monitoring, drip systems, switching to low pressure irrigation systems, pump retrofits, variable frequency drives and installation of renewable energy to reduce on-farm water use and energy.

Free One-On-One Technical Assistance to Apply for Grant Funds

Need help in developing and /or submitting your project proposal? Schedule your free one-on-one Technical Assistance session, contact your local UC Cooperative Extension Office for additional information at 442-265-7700
